A GRAND DAY FOR SALEM.

Five Thousand People Attended the Flag Raising.

PATRIOTIC SPEECHES AND SONGS.

The Stars and Stripes Raised Over the Public Schools.

The raising of the national flag over the beautiful East Salem school house was an occasion to which the people responded by turning out in a most patriotic manner. The teachers and children of the schools made a grand and successful effort to have the flag raising become a memorable event and it is no doubt impressed on the heart of each child present, that saw the flag go up, never to be forgotten. The people of Salem turned out en masse, closed their places of business, dropped their work, and made a holiday of it. The whole program as published in the JOURNAL was carried out to the letter, and all declared that it was grandly conceived and grandly executed. Great praise is due the committee of the G. A. R., the Post commanders and the school officers for their faithful work. It was an event for Salem. It was an event for the coast. No other city on the coast has had such a successful flag raising.

The Philharmonic society now sang "Let the Hills and Vales Resound."

A selection from Daniel Webster, "Liberty and Union," was now recited by Carl Morris in a prompt and spirited manner, which was heartily applauded.

Miss Grace Gillingham now sang "The Song of the Battle Flag." She is a teacher of the East school, and the staff of the school were very trying to the singer, but her strong and well trained voice was equal to the occasion.

THE PLATFORM was occupied by the state, county and city officials; the teachers of the public schools; Rev. Rollins; officers of the G. A. R. and Woman's Relief Corps; Ex-Supt. Randle; presidents of colleges and reporters.

THE CROWD almost completely covered the grounds and streets around the school house. There was a grand array of ladies present and the crowd is estimated at 5000 people and that is a low figure. There were people present from all the surrounding towns and hundreds of farmers drove in from ten to twenty miles to witness the impressive ceremony. Music was furnished by four excellent volunteer bands.

THE UNIVERSITY BAND boys made a good appearance and played popular airs that were well received. They were very bappy in their selections and pleased the crowd every time they played. Much of the success of this great day in Salem's history was due to the generous assistance of these bands, and representing the home band, the Willamette boys acquitted themselves well.

THE MT. ANGEL COLLEGE BAND had just marched in and closed the mammoth procession when the pay-car special train of the Southern Pacific pulled across in front of the whole crowd, and nearly caused a runaway—some ladies jumping out of the rig with the usual alacrity of the sex on those occasions. The leader of the Mt. Angel band, Father Barnabas Heid, O. S. B., had 13 well-trained men under him, dressed in elegant blue uniforms and making a grand appearance. Their playing was full of the real music, especially "Fountain S. Quickstep," by Keller. This band is led and directed by the president of the college, who is a splendid player.

THE INDIAN SCHOOL BAND was a grand feature of flag day, and led the procession. When they were around on the north side of the grounds, the end of the procession was just coming across the railroad track. Prof. Hagen led the Indian band and the boys numbered 15 strong in the regulation government suits, and their appearance pleased everybody. Nearly a hundred of these native sons of the forest in regimentals were present from the Training school at Chemawa, and also a goodly number of Indian maidens, also neatly dressed, in their college regimentals. They play with great form and enthusiasm, and for all they are worth. They keep remarkably good time and play with a splendid expression.

Supt. Irwin and Principal Robb and Ladies accompanied their charges. Disciplinarian Brewer marched with the cadets, and their marching was highly complimented. THE TURNER BAND was led by Mr. Elmer Barzee, and had 15 good players. The boys have been organized for three years and a number of new pieces have lately been added. Their renditions of patriotic airs showed them to be one of the best bands in the country.

THE GRAND MARCH of the school children began at 2:30 p. m. and they passed along through the portico on which were seated all the officials, honorables and press reporters. The school children four abreast and divided, going two

by two, led by their teachers—a boy and a girl, seldom two boys or two girls together. The drum corps of the Mt. Angel band beat a tattoo by which the children stepped.

THE PROCEEDINGS after the march: Supt. McElroy, for the state of Oregon announced the program and each band played a piece. After prayer by Rev. Rollins, the school children, ranged in ranks by hundreds upon hundreds sang, "America." Over a thousand voices joined in the grand anthem, and the result was very impressive. Like the weird music of a Pacific breeze sweeping over the forests of mountain fir and sweetened by the chiming of a thousand silver bells.

PRESIDENT VAN SOY'S SPEECH was a highly patriotic address, reviewing the history of the flag and its increasing firmament of stars that had grown from the mystical number of 13 to its present royal 42, and probably two more to be added this year. War was the great propagator of patriotism in the past. Now the nation looked to the schools to teach these lessons. This flag meant a great deal. It meant that the ground whereon it stood was sacred ground. He concluded with a brilliant peroration to the flag beneath whose protection we live. He was roundly applauded and received many warm compliments.

SCROFULA

Is that impurity of the blood which produces unsightly lumps or swellings on the glands of the neck; causes painful running sores on the arms, legs, or feet; develops ulcers in the eyes, ears, or nose; often causing blindness or deafness; is the origin of pimples, cancerous growths, or the many other manifestations usually ascribed to "humors;" and fastening upon the human system, causes consumption, and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How Can IT BE CURED

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula or impure blood, be sure to try Hood's Sarsaparilla. "Every spring my wife and children have been troubled with scrofula, sores breaking out on them in various places. My little boy, three years old, has been a mass of sores from head to foot. I was advised to use Hood's Sarsaparilla, and we have all taken it. The result is that all have been cured of the scrofula, my little boy being entirely free from sores, and all of my children look bright and healthy." W. R. ATHERTON, Passaic City, N. J.
